

NEW PRODUCT ADVICE

Description: ARB rear protection bars, incorporating wheel & jerry can carrier options

Application: Nissan GU Patrol & LandCruiser 100 Series models, please contact us for up to date vehicle availability

Part No: Please contact us

Features:

- Increased protection for vulnerable rear panels
- Result of exhaustive research, development & testing
- More user friendly than similar products on the market
- Carriers can be optioned on either side of the rear bar – most vehicle models
- A single carrier, or no carriers can be fitted – neat, insert panels are used instead
- Carriers mounted via dual shear pivots for maximum strength
- Will accommodate twin 33" or a single 35" tyre – most vehicle models
- Multi fit spare wheel stud system provides flexibility for alternative rim selection
- Heavy duty towing system, complete with removable hitch and terminated wiring loom
- Dual, laminated towing points & Hi-Lift jacking points
- Supplied in a grey metallic powdercoat

Options:

- HF aerial bracket, Hi-Lift jack and work/camp light provision
- Colour coding

Availability Date: Mid April 2005
