

# NEW PRODUCT ADVICE

**Description:** ARB rear protection bars, incorporating wheel & jerry can carrier options

**Application:** Toyota LandCruiser 80 and 100 Series models

**Part No:** Please contact us

## Features:

- Increased protection for vulnerable rear panels
- Result of exhaustive research, development & testing
- More user friendly than similar products on the market
- Carriers can be optioned on either side of the rear bar – most vehicle models
- A single carrier, or no carriers can be fitted – neat, insert panels are used instead
- Carriers mounted via dual shear pivots for maximum strength
- Will accommodate twin 33" or a single 35" tyre – most vehicle models
- Multi fit spare wheel stud system provides flexibility for alternative rim selection
- Heavy duty towing system, complete with removable hitch and terminated wiring loom
- Dual, laminated towing points & Hi-Lift jacking points
- Supplied in a grey metallic powdercoat, a black powdercoat will be available shortly

## Options:

- HF aerial bracket, Hi-Lift jack and work/camp light provision
- Colour coding
