

4X4 ACCESSORIES

NEW PRODUCT ADVICE

DESCRIPTION:

High output portable air compressor

APPLICATION:

Portable

PART NO:

CKMP12

AVAILABILITY:

Now

FEATURES:

- Compressor housed in a durable carry case for easy storage & versatility
- Sealed for moisture & dust resistance
- Hard anodized cylinder bore & teflon impregnated carbon fiber piston seal for reduced friction & maximum trouble free life
- Unique design feature prevents operation of the compressor until it is connected to a tire or other inflatable item
- Heavy duty Maxi-Fuse equipped for professional in-line circuit protection
- Quality components for quiet operation & extra long life
- Constructed entirely of lightweight, high strength engineering grade materials
- Over-pressure safety valve equipped
- Washable sintered bronze air filter element housed in a splash resistant cover
- Illuminated isolating switch protects the user from hazardous sparking when connecting the alligator clips to the battery terminal
- Kit includes 6 meter air hose, wiring loom, battery clips & all the necessary fittings to inflate tires & camping or leisure gear
- Flow rate (under no load): At 0Kpa (0PSI): 75.1 (2.65CFM) litres/minute & (under load): At 200Kpa (29PSI): 61.6 (2.18CFM) litres/minute
