

# NEW PRODUCT ADVICE

**Description:** ARB Deluxe Winch Bar

**Application:** Toyota Prado 150 (SX, GX, GXL)

**Part No:** 3421450

**Retail:** \$1365.72

## Features:

- Clean design protecting the lower front vehicle components by using wing panels and stone trays
- Excellent approach angle of 31 degree (when fitted in conjunction with with OME suspension system)
- Winch capability, designed to suit Warn M8000, XD9000, 9500XDC & 9.5 XP winches
- Accepts 800XS and 900XS Series IPF driving lights
- The mounting system has been fully redesigned from the ground up and tested to suit the vehicle's factory air bag system (SRS). Mount brackets are independent and adjustable. The mounting position of the bar is higher than previous providing maximum approach angles. Bracing system is provided to the winch mount bracket for maximum strength when winching
- CB aerial brackets on center top tube
- x2 HiLift jacking points in center pan
- Provisions for optional ARB Fog Light Kit P/No 6821201
- Access provided to O.E. tow points
- Headlamp washer system is functional with bull bar

***IMPORTANT NOTE: Please click here to read the application chart for disclaimers and fitment technical notes***
