FOR IMMEDIATE RELEASE

Suzuki Equator ARB Deluxe Bar ***ARB Deluxe Bar for the New Suzuki Equator***

Seattle, July 16/ ARB 4x4 Accessories/ -- New ARB product for the first North American Suzuki pickup and Peterson's 4Wheel & Off Road 4x4 of the year. ARB 4x4 Accessories, manufacturer of purpose engineered 4x4 parts, distributed worldwide, is proud to announce the release of the ARB Deluxe bumper, the first in a full line of ARB products for the brand new Suzuki Equator.

Manufactured from high quality steel then finished in a durable satin black powder coat finish, the ARB Deluxe Bar to suit the Suzuki Equator is built to withstand the rigors of off-road driving. Offering significantly better protection than the OEM bumper, the ARB deluxe bar also features Hi-Lift jacking points integrated into the pan, and fully engineered mounting system suitable for Warn 8000/9000/9500 low mount winch models. Featuring mounts for driving lights and pendant style fog lights, the bar also includes antenna mounts, and can be finished off with integrated ARB fog lights in the wings for a truly integrated finish.

Features include:

- Provisions for IPF driving lights, CB aerials and a range of Warn Winches
- Split pan design for optimum strength and airflow
- Recessed indicators and parking lights
- Superbly engineered, air bag compatible mounting system secures to chassis using high tensile bolts
- Optional 6821201 ARB fog light kit
- Hi-Lift Jack Points in pan
- OEM Recovery points retained
