FOR IMMEDIATE RELEASE

New ARB Fridge Freezer Transit Bags ***Protect your new ARB Fridge with the new ARB Transit Bag***

Seattle, April 22/ ARB 4x4 Accessories/ -- Australian based four-wheel parts manufacturer, is pleased to release the first accessory to the new ARB 50 QT. Portable Fridge Freezer. Protect your investment with the new ARB Canvas Transit Bag.

To complement the new ARB 50 QT Fridge Freezer, a canvas transit bag is now available and shipping. Designed to protect the ARB Fridge Freezer from dents and scratches, the ARB Canvas Transit Bag also provides extra insulation in extreme temperatures, helping to keep your food and drinks cool or frozen on your off road travels. Manufactured from tough durable canvas, the Transit Bag provides superb protection for fridges stored inside and outside the vehicle, and will ensure that your new ARB Fridge Freezer will be in excellent condition for years to come.

Features:

- Manufactured out of tough durable canvas
- Reflective internal lining to insulate against heat and maximize cooling efficiency
- Separate lid cover, allowing the lid to be removed without having to remove the bag
- Integrated vent panels at rear to ensure adequate air flow to motor and condenser
- Handy side pocket large enough to house the fridge manual and power lead
- Integrated openings for the ARB Fridge Freezer's rubber feet, drain plug and power cables. The drain plug opening ensures that the bag does not need to be removed when cleaning the inside of the fridge
- Attaches with Velcro, making it easily removable when necessary
